6th National Wound Care Conference 2023

Wound Care: A Decade in Malaysia

23rd - 25th MAY 2023 (Tuesday - Thursday)

MAHSA University Bandar Saujana Putra, Jenjarom, Selangor

ABSTRACT SUBMISSION

The 6th National Wound Care Congress 2023 (NWCC 2023) will be held at MAHSA University, Selangor from 23rd - 25th May 2023, with the aim to strengthen the knowledge of healthcare workers and provide them with the latest information on wound care. It also provides a platform for experienced experts in wound care management to share their knowledge, experience, skills, and research findings related to aspects of wound care. You are invited to submit an abstract for consideration as **poster presentation**.

GUIDELINES FOR SUBMISSION

Submission deadline: **21st April 2023**

Please read this information carefully before preparing your abstract:

- Delegates who would like to present their work at the 6th National Wound Care Congress 2023 (6th NWCC 2023), are invited to submit an abstract for consideration by the Scientific Committee.
- A paper should not be submitted to the 6th NWCC 2023 if it has been already presented internationally or if it has already been published as a full paper.
- For standardization, the acceptable length of the abstract is of maximum 2,500 characters. This includes the author's details, titles and non-visible characters, such as spaces and line breaks.
- The submission deadline for abstract is on **21st April 2023**, 12.00 midnight.
- The submitted abstract cannot be edited after the submission deadline.
- The abstract should be structured into the following sections:
 - ♦ A title should be related to **Wound Care Management** such as:
 - Assessment and diagnosis
 - Wound Management
 - Case study
 - Cost effectiveness
 - Diabetic foot ulcers
 - Infection
 - Limb ulcers
 - Vascular wound
 - Practice
 - Pressure ulcers
 - Research
 - Science
 - Skin Integrity
 - ♦ Introduction should contain 1-2 sentences that clearly indicate the scientific question of the study and its clinical (or other) importance.
 - ♦ Methods should contain sufficient information to be able to understand the experimental design, the analytical techniques and the statistics used in the study.
 - ♦ Results should contain objective data to answer the scientific question(s).
 - ♦ Discussion and conclusions should provide only conclusions of the study directly supported by the results, along with implications for clinical practice, avoiding speculation and overgeneralization.
 - ♦ One (1) figure is allowed in the abstract, after the "Results" section. Up to 2 tables may be added to the "Results" section.
 - ♦ Conflict of interest: It is the intent of 6th NWCC 2023 to provide high-quality sessions focused on educational content that is free from commercial influence or bias. Thus, the submitting author of an abstract is requested to declare any potential conflicts of interest for all authors during abstract submission.
 - ♦ Abbreviations should be indicated in parentheses following their first mention in the text.
 - ♦ Trade names cannot be mentioned in the title. However, trade names in brackets will be accepted in the main text.
 - ♦ The presenting author of the abstract must be registered at the conference. Registration fees will not be waived.
 - ♦ Abstract must be written exclusively in English. Please ensure your abstract does not contain spelling, grammar, or scientific mistakes. Linguistic accuracy is your responsibility. No proof reading will be done.
